2021-2022 School Year Enrollment

This is the final week for early registration. If you have not done so, please contact the office with your questions or to book an appointment. Early-Bird enrollment saves an average of \$223.50 per student! By registering early, you will save \$25 per student on registration fees. Those opting to place a \$500 deposit will receive a lower rate. The deposit is deducted from the annual tuition which means you will have a significantly lower payment for those opting to pay monthly.

I can do all things through Christ

FROM THE TEACHERS:

Pre-K

Happy Monday! I hope you all had a restful weekend. This Wednesday is Dr. Seuss dress-up day. Show your school spirit by dressing up as your favorite Dr. Seuss character.

This week our focus will be on the following-

Letter: Xx

Number: 21

Color: pink

Shape: heart

Kindergarten

To infinity and beyond

Kindergarten will be learning about space and planets.

First Grade

Wednesday is Dr. Seuss dress up day. Friday is a minimum day.

It has been a bit windy lately and some of the first grade balls and frisbees have gone over the neighbors fence. If you would love to donate any to the class it would be greatly appreciated.

It's been cold outside. Remember to send students with a jacket in school colors that is labeled with their name inside it.

Second Grade

-Wednesday, Feb 24, is Dr. Seuss Day, come dressed as a Seuss character! Friday, Feb. 26, is a minimum day. This week we continue to learn more about Esther in the Bible. We are also finishing our chapter on money for math and chapter 2 in history.

Third & Fourth Grades

3rd and 4th grades have been working so hard! Let's keep up the good work.

3rd grade has a Math test this Wednesday, and will be reciting their poems by Friday. 4th grade has a History test today, and a Science test on Wednesday. Also, on Wednesday is our school spirit day. Remember to wear your Dr. Seuss clothes and accessories. Lastly, this week is our last Friday of the month, so it's a minimum day.

Fifth Grade

A GIANT THANK YOU to the Howey family for donating bottled water to our class.

Here is a second reminder that most of my 5th -grade students have run out of school supplies and need to purchase more. Needed supplies: notebook paper, highlighters (not yellow), erasers, pencils and pens, and a black Sharpie Pen. Please remember to check each day for the completion of homework.

Sixth Grade

-We're almost half-way through the 3rd quarter! This week 6th grade will be completing their book reports for On His Own. Be sure to check online for your student's progress and daily work completion.

Junior High

-We have another great week with Dr. Seuss dress for Spirit Day on Wednesday and a minimum day on Friday. We conducted our Science experiment on Friday with students recording their observations and data. Students need to continue working on the research portion of our Science project as their rough drafts are due next Wednesday, March 3. Have a blessed week!
