First Grade

Thank you to the Salazaar family for donating items to the class treasure box. The class was very blessed. Please remember to return the progress report signed, if you have not already.

Second Grade

I'm very excited to see all the cereal box book report projects this week! Each day this week, I will have about 3 students share their project with the class. This week we are learning how Martha grows in her faith in our Bible lessons and we'll be finishing chapter 13 in math.

Third & Fourth Grades

Thanks for returning your signed progress reports. Third grade started their next book report book, "Secret of the Maple Tree" this week. Remember to keep reading the assigned pages each night. They also have a History test on Wednesday and a Math test on Friday. Fourth grade has a Language test on Wednesday and History on Thursday. Have a great week everyone!

Fifth Grade

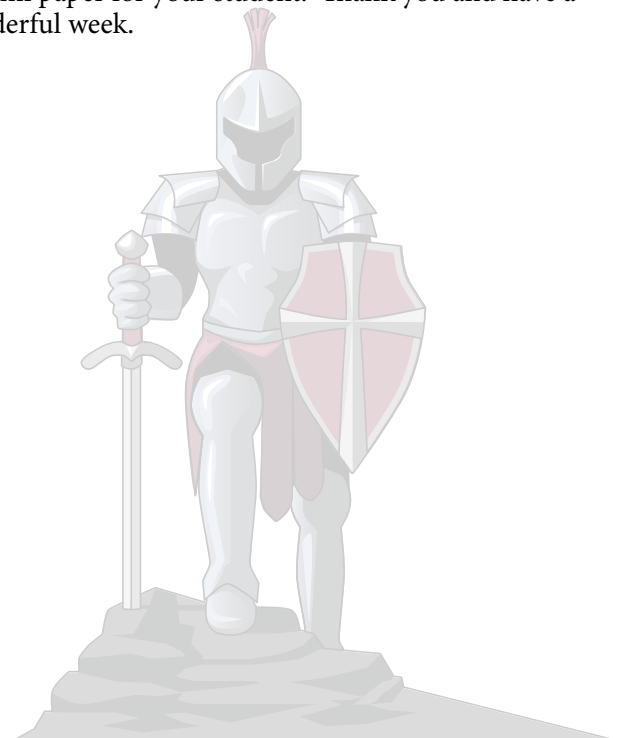

Thank you to the Hunley family for the strawberry plants and tomatoe cage. We were truely blessed. Our garden is growing! We could still use 4-6 strawberry plants and one more tomatoe cage. If you would like to donate, we would be blessed. The 5th grade has been tracking their food and calorie as we study energy in our science class.

Sixth Grade

Sixth grade has tests this week in History, Science, Math, and our weekly Bible verse and Spelling/Vocab tests. Thank you parents for checking your student's progress and classwork completion by going to RENWEB (Facts) parent portal.

Junior High

Continue to encourage your student to be diligent in their work. 8th grade has an Algebra test this week and 7th grade has a History test. The time has come to expand the students' art supplies. Please provide origami paper for your student. Thank you and have a wonderful week.
