FROM THE TEACHERS:

Pre-K

Graduation and the last day of school will be on Monday June 14th. For the students who will be returning to Pre-K next year the last day of school will be Friday June 11th.

Kindergarten

Kindergarten Graduation will be on June 14th at 5 PM. More information will be sent home this week. Please remember to send water with your children each day. Hope you all have a great week.

First Grade

Progress reports were sent home on Friday.

The first grade class has excellent scientific minds. They have enjoyed watching the garden grow, seeing caterpillars turn into butterflies and setting the butterflies free. Now they are learning about space.

Remember- the animal project is due on June 1.

Second Grade

Please sign and return the progress report. This week we will continue learning about Peter in the Bible. We will also be starting a new chapter in History about the middle colonies and starting a new reading book!

Third & Fourth Grades

Thanks for all the thoughtful teacher appreciation and Mother's day gifts I received. They were such a blessing! Third grade is working on their shoebox state projects which are due on 6/4. Fourth is getting ready for their oral book reports to be presented this Thursday and Friday.

Besides that we have the following tests for the week:
Tuesday 3rd grade-Language test
Friday 4th-Language, Science, and History tests

Fifth Grade

As our weather gets warmer, PLEASE REMEMBER to send water with each student every day. Many of our 5th graders are out of school supplies and in need of pencils and notebook paper to finish up the year.

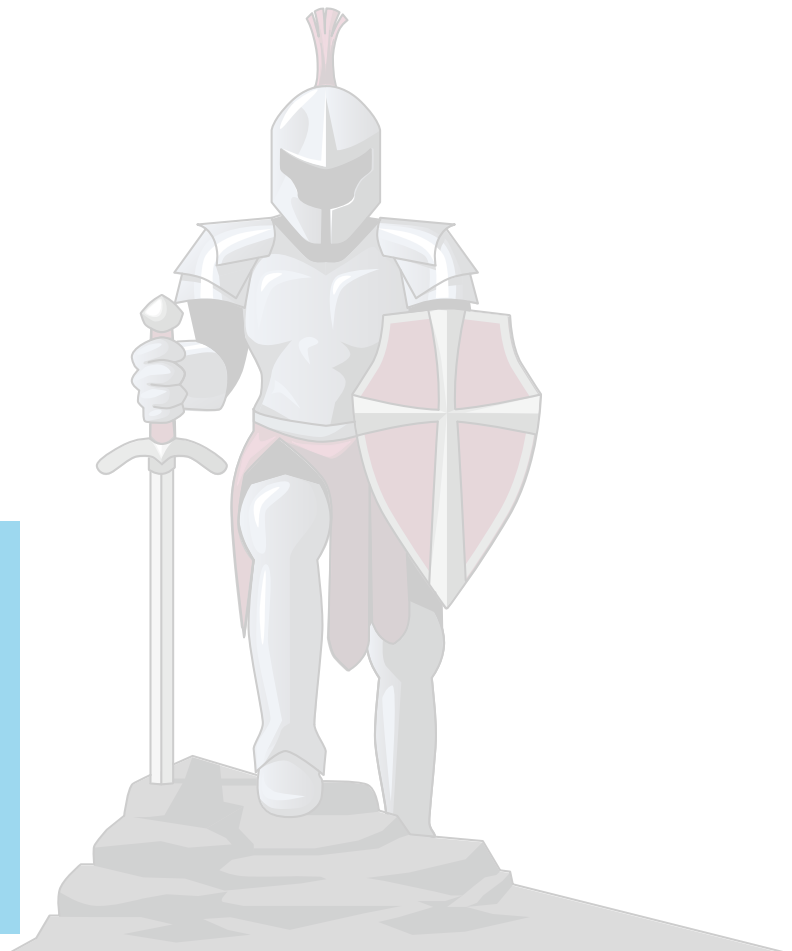

We are in the process of planning our end of the year celebration and will need a volunteer to order and pick up our lunches for Tuesday, June 15th. Please let me know if you feel called to help in this area.

Sixth Grade

Please continue praying for Mr. Bryant as he recovers from his injury.
We have tests in Science and History this week.

Junior High

As we approach the end of the year please encourage your student to remain diligent and focused on academics. This week we have a Sign Language test on Thursday. 8th Grade has an English test Monday, a History test Wednesday, and a Literature test on Thursday. 7th Grade has a History test Wednesday. Have a blessed week.
