Warmer Weather

As the weather heats up, please remember to send your children with water each day.

Drinking fountains have not been available this year. Children may refill water bottles at our bottle filling station.

Warmer weather also means no carline when the black-top is too hot for it. Please be sure to use extreme caution when driving through the parking lot as there will be additional foot traffic, including children. Safety First!

Summer S.T.E.A.M. Camp

Gear up for an amazing summer with Science Experiments, Coding, building, and Creativity! Children will develop friendships though indoor & outdoor play. They will review academic concepts during daily Bible, Math, Language, and Reading classes. Each afternoon will be filled with engaging S.T.E.A.M. Lessons.

2021-2022 School Year Enrollment

We are still registering for the 2021-2022 School Year. If you have not yet done so, please make an appointment with the office to complete your registration and reserve your child's spot for next year. Contact the office with any questions.

Chain Reaction Youth Group

Pastor Tim hosts youth group each Wednesday at 6:30 PM - 8:30 PM. Youth group is open to all 6th-12th graders regardless of where they attend school. Hope to see you there!

Congratulations

FROM THE TEACHERS:

Pre-K

Our End of the Year Lunch Party will be this Friday June 11th. Please send in \$10 to cover their lunch and goodies by Wednesday June 9th.
Graduation will be on Monday June 14th at 9:30am.
Drop off will be at 9:15am in our classroom.
Dress code: Sunday's Best

Kindergarten

We will have a class party this Friday. Please let me know if you're planning on sending in any goodies.
Have a blessed week!

First Grade

Please join us on the last day of school, June 16, for our Awards Chapel at 8:45 am. Students will be dismissed to go home when the awards chapel is over. It should be about 30 minutes long.

Second Grade

We've made it to our last full week of school! Please encourage your child to keep working diligently as we end the year strong. We will be reviewing all the Bible truths we've learned this year and finishing our math chapter on division. I will be putting an updated about our class party on the homework sheet for this week.

Third & Fourth Grades

We have a busy last week of schoolwork ahead! Third grade has a Language test on Tuesday, and Math, History, and Science tests on Friday. Fourth has a California History Assessment on Thursday, followed by Language and regular History tests on Friday.
Thanks to everyone who has donated water this week. Please also begin thinking about what you would like to bring for our end of the year party on 6/15. I will have a sign up sheet on our class parent board.

Fifth Grade

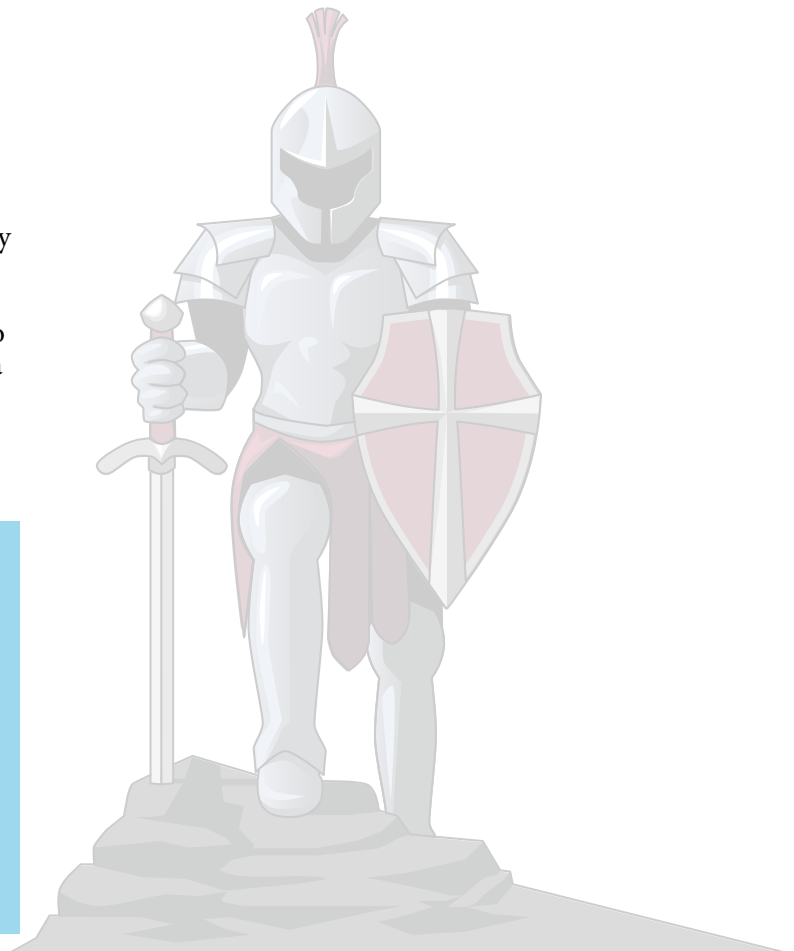

Remember to finish strong as we finish up the school year.
We will be focusing on Math, Science, and History this week. Your Biome Projects were wonderful. Great job, 5th grade! Don't forget to turn in your \$10.00 for our end of the year celebration.
Fifth Graders, you'll be sixth graders soon and as sixth graders you are invited to join Chain Reaction Youth Group each Wednesday evening at 6:30. We really hope to see you all there!

Sixth Grade

Let's finish strong! Castles are due Thursday. We'll be planning a party for Tuesday, June 15th.

Junior High

We will be wrapping up our testing in all subjects this week. Please encourage your student to stay focused and diligent in the work. I sent an email last week regarding our end of year party and Awards Chapel. Please let me know if you have any questions. I am so proud of the progress I have seen in Jr. High this year and know we will finish strong. Have a blessed week!
