### 2022-2023 Enrollment

Classes are beginning to fill up for the 2022-2023 academic year. We still have space available in all grades, but the only way to guarantee your spot is to enroll. Enrollment is now open to the public.

### LAST WEEK FOR SCHOOL LUNCHES

The school lunch program will be coming to an end for the school year. The last day school lunch will be available is May 13th. Please be sure to provide your child with a lunch after May 13th.

### Spring Photos

Spring Photos will be taken on May 10th. This is a free-dress day. Please do not wear green. There will not be a make-up day for Spring Photos.

### Parking Lot Safety

PLEASE SLOW DOWN and drive cautiously in and around the campus.

### Chain Reaction Ministries

Students from 6th-12th grade are welcome to join Pastor Tim each Wednesday evening from 6:30 - 8:30. All children in the age group are welcome even if they do not attend VCA.

# FROM THE TEACHERS:

## Pre-K -

Hello parents and grandparents! I hope all my mothers had a wonderful mother's day! This month our birthday is Gabriel Balan! Happy birthday Gabriel! Just a friendly reminder that the weather is getting hotter and your babies get thirsty so don't forget to send them with water! A correction about show and tell! I will also be doing it on Tuesday for my Tuesday students! But Tuesday will be only for my Tuesday students. Hope you all have a great week!

## Kindergarten-

Our Mother's Day Tea was spectacular! It was so special to be able to celebrate and honor our moms. Thank you to everyone who joined us at chapel on Friday. I pray you were all blessed! As the weather gets warmer, please remember to send your child plenty of water.

## First Grade -

I hope you all had a relaxing Mother's Day. This Friday is the last day of the school lunch program. Next week on Tuesday, the 17th, Science Fair projects are due for those choosing to participate. With the warmer weather please make certain you are packing a water bottle for your child and that their warm weather clothing still fits properly to provide for comfortable play and adequate modesty. Have a blessed week!

## Second Grade -

This time, on the science test, I did not let them use their study guides and everyone did a good job. We are getting ready for 3rd grade! We are planning an end of the year field trip to Celebration Park on June 14. Please let me know if you can come to the field trip. I will be sending home permission slips once I know we have enough approved drivers.

## Third Grade -

I hope all our moms had a happy Mother's Day. I wanted to thank you all for your wonderful "Teacher Appreciation" gifts. I was so blessed by your generosity!

This week we have a Language test on Thursday, and are reciting our poems on Friday. We will finish reading our "Secret of the Maple Tree" books, and will have next week to work on our reports.

Please check your homework packets for information about our end of the year field trip.

## Fourth Grade -

Hope you had an amazing Mother's Day! This week students will be presenting the Science Projects that they turned in on Friday. Just a reminder that the homework page that are given to students on Monday, have the test that students will have that week. On one side is the spelling words and verse and on the other side is the homework and test for the week. Have an amazing and blessed day.

## Fifth Grade -

I trust that all of you had a wonderful Mother's Day. Please be sure to send in waterbottles with your students each day. Many students are without classroom supplies ( notebook paper, pencils, lead,etc.) Please be sure to replenish these if you haven't yet done so. We will be going to John's Incredible Pizza on June 13th. Approved drivers are needed. You are welcome to join us or just drop off and pick up students that day. Approval forms are required.

## Junior High-

Sixth grade will have a Bible and Spelling test on Friday. A Sixth Grade end of year field trip to Sea World is being planned. Information about the field trip will go home this week.

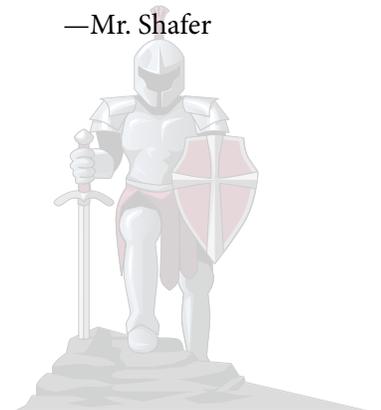

Seventh grade is doing a great job with their writing assignments in English.

Eighth grade is showing good progress in Algebra. Keep up the good work and finish the year strong!"

—Mrs. Peacock

Keep your eyes on the prize and keep working hard! We are a few weeks away until we are done but we still have work to do!

—Mr. Shafer
