## FROM THE TEACHERS:

**Pre-K** Hello! This month we have several birthdays! Happy birthday to Preeyana Shergill who had a birthday in the 1st, Tatum McKenzie on the 16th, Olivia Davis on the 24th and Niya Hsiao on the 28th! Birthdays are so much fun and I love sharing the celebration with your children!

Remember to check your child's work folder! It's our way of sharing with you the progress they're making in class!

**Kindergarten** Thank you to the Latap family for the tissue box donations! Don't forget to have your child bring in a small bear for Bear Month. Take a look at their homework packet for more information.

**First Grade** I'm excited to see everyone's Family Tree projects this week! Due to the short week we have no tests other than our weekly Bible Verse, Math Facts, and Spelling tests on Friday. We will be painting in Art this week so if you would like to send a smock or old shirt your student can wear over his or her Chapel clothes to protect them, you may do so on Friday. Have a blessed week!

**Second Grade** This is a short week, so really study those spelling words and memory verse. This week we will be leading pledges and reciting a poem in Chapel on Friday. You are welcome to come watch. Next week is the end of the quarter!

**Third Grade** I hope you are all having a wonderful day celebrating Martin Luther King Jr. Day. I am pleased to say we raised enough donations to continue with our Kids A-Z for another year. Thanks so much to everyone who pitched in to help keep this great homework resource. We only have one extra test this week in Language on Friday.

## Junior High

Hello all! As we are coming to the end of the second quarter, we are in a flurry of activity working to prepare for Third quarter. As a reminder their next Math test is 1/26 and the English test is 1/31. the first day of the new quarter.

—Mr. Pulsipher

Hello there, this week we will continue drama and work on our pieces to perform. We will be having a drama terms quiz on Thursday. In bible, we will be working on bible activities, making flashbacks and learning about how to prepare for future tests and quizzes. I also want to just stress on the importance of participation. I will be marking it down for a grade. So make sure you bring all your school supplies and books needed for class instruction EVERYDAY.

—Ms. Zamudio

The quarter is coming to and end in a couple of weeks. Make sure you have all your work turned in and you are studying for quizzes and tests.

6th grade has a History test this coming week.
