# FROM THE TEACHERS:

## Pre-K -

Hello parents and grandparents! I hope your having a fantastic week! I know we are in Pre-K! You all are doing a great job of remembering to send your children with water! They sure need it! We will be starting show and tell next week! Monday and Thursday. But Thursday is for my Tuesday/Thursday students only due to time constraints. They may bring anything they like as long as it fits in their backpack and it is not alive! Lol!

## Kindergarten -

Hello Kinder Parents! We have been working hard on learning all of our vowels letters and sounds. Please continue to review them at home.

Tuesday- Picture day (Chapel Dress)

Wednesday- Spirit day, Hawaiian Shirt day.

Thursday- Test: Apple poem

Friday- Minimum Day

## First Grade -

It is such a blessing to be back! Reading homework starts this week. If you would like to sign up to help with Reading groups there is a sign up sheet outside the classroom. For Picture Day Tuesday students need to wear Chapel Dress. For Wednesday's Spirit Day students may wear a Hawaiian Shirt. Friday is a minimum day with school out at noon. Have a blessed week!

## Second Grade -

Picture Day is Tuesday; please have your child wear their chapel uniform! As September comes to a close, we have our first dress-up day! Show your school spirit by having your child wear a Hawaiian shirt on Wednesday. Friday is a minimum day, school is out at noon.

We have a lot coming up in October, so keep an eye on the homework sheet.

## Third Grade -

We have a busy week ahead! Tuesday is school picture day wearing chapel dress. We'll also have our first Language test over "Sentences". Wednesday is Spirit day wearing Hawaiian shirts or dresses. On Friday, we will be performing our poem for chapel at 9am and parents are welcome to attend. After chapel, we will have a Math test over "Place Value". We will be dismissing from school at 12 since it is a minimum day.

## Fourth Grade -

Hello Friends, we are making bold steps into the joys of learning. We have upcoming tests in science, math and Bible. This week Sofia DeAnda was our student of the week! She is kind and on tasks and is a great example to the class. This week we are calculating decimals and getting into fractions, we are also learning how the Bible is eternal and all the amazingsness of creation in science!

## Fifth Grade -

We have a lot of fun things happening in 5th grade this week! From learning about decimals in Math to learning about the many faces of a verb! Speaking of verbs, we will have a Language test this Wednesday! We are also learning about minerals in Science and will observe how crystals are formed in class this week. Thank you Hailey and Eowyn for bringing in rocks for us to explore.

## Junior High-

This week 6th grade is having an English test and subordinating conjunctions oral test. 6th and 7th grades will have a Math Test on Friday. On Wednesday, 7th grade is having an oral test on their science classifications. Our first field trip is coming up soon on October 13th. All money and permission forms are due by October 5th.
