Vacation Bible School—Knights of North Castle

We are excited to once again host Vacation Bible School this summer. It is July 24-28 from 9 am to noon. Children going into kindergarten through 6th grade may attend. There is no cost to attend. [Use this link to sign up.](#)

Carline

We have a new pick up procedure for Carline. The path the cars drive is exactly the same, but we are having the children sit under the covered eating area. Children will be loaded into the cars by the three designated cones north of the eating area. For the safety of all, cars must drive slowly during the carline. We request that all children are only picked up in vehicles. Anyone wanting to walk to pick up their child may do so at the classroom at 2:45. Please remember that this is not a time for short parent-teacher conferences. Teachers are available after carline to meet with parents.

Therefore we also pray always for you that our God would count you worthy of this calling, and fulfill all the good pleasure of His goodness and the work of faith with power,

—2 Thessalonians 1:11

FROM THE TEACHERS:

Pre-K - Hello parents and grandparents! Well, we're almost through the school year! I can't believe it! How quickly it has gone by! It has been my joy and privilege to watch your babies grow and learn! They have changed so much since the beginning of the year! I will certainly miss the ones who will be moving on to kindergarten and I look forward to another year with the others! Happy birthday to Mbajja Senyonjo!

Kindergarten - Donuts with Dad is this Thursday June 8th at 10am
Graduation party is Friday June 9th at 11 am. Friday is also minimum day. Graduation information went out on Friday. Please check your child's folder for the details. Have a blessed week!

First Grade - This is our last full week of school. Our last Bible Verse, Math Facts, and Spelling tests of the year are on Friday. Friday is a Minimum Day with school out at noon. Our class party is next Monday, June 12th. The sign-up sheet is posted outside the classroom. Awards Ceremony for the end of the year next Wednesday is from 8:45-9:45 in the Chapel. Every student will be receiving an award. Let's finish this last week of academics strong!

Second Grade - We made it to the last full week of school! Friday is a minimum day. This is the last week for school lunches. You can still order a yearbook. Next week is our field trip, Tuesday June 13. Next Wednesday, the 14th, is the Awards Chapel at 8:45-9:45 for our class. Students are required to wear their chapel uniform that day. Every student will be receiving an award! Students may leave right after the awards, otherwise they need to be picked up at noon or go to daycare. Have a blessed week!

On Tuesday we will have a Math test on long division. Thursday will be the last day to order school lunches. On Friday, we'll have a Language test, and it's also a minimum day.

Fourth Grade - It is hard to believe that there are just a handful of days left of the school year. My brother-in-law will be coming in on Wednesday to demonstrate and talk to the students about mining for gold. They are looking forward to it, and keep asking when he is coming. We are still learning! In Language, we are focusing on action verbs, direct objects, and adverbs. We are still diagramming sentences and marking sentence patterns as well. There will be a math test for Chapter 14 on Friday. We will have a fun day and end of year party next Monday. You are welcome to send any goodies for us to enjoy on that day. Mark your calendar - Awards Chapel is on Wednesday, the 14th, from 10:00 - 10:45. I look forward to seeing as many of you as can make it.

Fifth Grade - Thank you to all the parents who drove and or chaperoned for us for our Camp Surf field trip! I appreciate each of you. Please plan to study for the tests we will have this week. Remember to submit your permission slip to Mulligans along with \$15.00 per student and or accompanying adult.

Jr. High - Camp Surf was fantastic! Thank you to every parent who made it possible. Jr High has their Final in Doctrine Study on Wednesday. They must study for this test. The finished report on their approved book is due Friday, 6/9. 6th grade has a Nebula project due Tuesday, June 6. This is worth a test grade. 6th and 7th grade are signing their last song in chapel on Friday, June 9, which is also a minimum day.
