First Grade -

First Grade has been practicing real hard along with the third and fifth graders. We are preparing for our musical on April 26. If you would like to see a preview join us in chapel this week. In Bible, we will be learning the need to trust in God; seeking Him out to calm our fears as He calmed the waves of the sea and walked on the water. In math, we will be adding three digit numbers. In science, we are studying plants and anticipate observing plants growing. We will be planting seeds!

Second Grade -

We made it to the 4th quarter! As we begin this last quarter of second grade, let's finish strong! Report cards will go home on Friday.
