FROM THE TEACHERS:

Pre-K -

Hello parents and grandparents! Thank you to those of you who were able to make it to our performance! The kids had a great time and they did a great job! We are entering into a new month now which means new goals! Our color for the month is blue and our shape is octagon. We will also be learning how a seed grows into a plant so that should be exciting! I can't believe we're almost through the school year! Let's finish with a bang as they say!

Kindergarten -

Our Mother's Day Tea is Thursday May 9th, at 10:00 AM. We hope to see all the moms here! If you cannot make it, please feel free to have a grandmother or aunt come in your place.

First Grade -

Congratulations to these first graders who made Honor Roll: Caiden, Olivia, Brianna, Brayden, Erik, Aniah, Taylor, Lilianna, Maverick, Auvrey. Congratulations to Bellisse for receiving Principal's Honor Roll. This week in Bible we will be learning about Peter. In science we will be learning about birds, fish, and mammals. In math we are learning about capacity. Students are encouraged to get acquainted with measuring tools in the kitchen. What a good time to bake cookies!

Second Grade -

Congratulations to everyone who received an award for their 3rd quarter grades! Thank you for all your hard work. Happy birthday to Nicholas who had a birthday in April and to Alani who has a birthday in May! This week we start our chapter in geometry for math. We are also starting a new chapter in science on "Plants". Have a great week!

Third Grade -

We have a lot going on this upcoming week! It starts with a language test on Tuesday over nouns, verbs, and adjectives. We have tests in math and science coming up on Friday. We'll also be finishing up our "Secret of the Maple Tree" books, and you will have this week to work on the book report. Our final deadline this week is reciting our poems, "Overheard in an Orchard" by Friday.

Thanks for all your hard work everyone!

Fourth Grade -

The warmer days are upon us. Please send your child with a water bottle, and a sweater or sweatshirt, since the air-conditioner seems to run more and the classroom can get very cold. We have three additional tests this week. On Tuesday, a math test covering fractions. The language test will be on Wednesday covering pronouns and antecedents, subject-verb agreement, subjective and objective pronouns, word usage, and possessive pronouns. On Friday, we will have our science test on light. Your child should already be reading their book for their book report. Make sure they are bringing it to class everyday. They will be allowed to read it if they are finished early with classwork.

Fifth Grade -

Each of you did an amazing job on your performances last Friday! We will be presenting Flags in the chapel this Friday for those who would like to come out and support. Please practice your poem nightly to prepare as it is a test grade. Details on the Oral Book report went out this week and it is now due on May 7th and not on April 30th. Sorry for any inconvenience this may have caused.

Middle School -

We're in the final quarter of the year, so please encourage students to continue doing their best in order to finish the year strong! If you have not yet ordered your Yearbook there is still time, however supplies are limited and they are sold on a first-come, first-serve basis. 6th grade's final book report of the year is due Tuesday. 7th English has the Ch. 13 test on Friday. Pre-Algebra has a quiz on Thursday; Earth Science has the Ch. 11 test on Wednesday and their Otzi videos due on Thursday. Have a wonderful week!

—Ms. Wong

Due dates from last week's assignments and tests for this week are as follows: Tuesday: 7/8 Bible Unit Questions. The eighth-grade parents received an invitation to the Graduation Prep Meeting, last week. This meeting will be taking place this Thursday at 3:30 pm. There is a Google Meet option available. Please RSVP as soon as possible.

—Miss Michelle
