Let your light so shine before men, that they may see your good works and glorify your Father in heaven.

### Parent Teacher Fellowship

I want to give a special shout out to our PTF executive board, chairpersons, room moms and parent volunteers, donators and participants. This year has been an incredible success because of all of you. God has used each and every one of you to bless this school and each other. Words cannot express the gratitude. To those who cannot donate time, thank you for being involved in the capacities you are! You are all so appreciated.

I wanted to end the year with what we were able to raise throughout the year! Our goal was to raise 12k to meet all of our goals! And guess what??? We reached all of our goals plus some! We raised 16k this year that we put towards all of our goals! If you'd like to be a part of the PTF to help where our goals should be for next year, what you'd like to see for the schools! Please reach out. We are a team and we love hearing what the parents and staff would like to see the money go towards next year! Thank you again for an incredible year! Blessings.

# FROM THE TEACHERS:

## Pre-K -

Hello parents and grandparents! Well, it's finally here! The end of the school year! The kids were very excited to perform for you! I'm sure you enjoyed it! It's been a great year! I've enjoyed having you and your children in my class! I hope you have a great summer! Keep practicing their alphabet and counting to 100!

## Kindergarten -

Donuts with dad was a success! We hope you all enjoyed your time with your children. We finally made it to the end of the school year! Graduation is Monday 6/10 at 5:00 PM. Please have your child back at school by 4:45. We have sent home all the reading books. Keep reading with your child over summer to keep their skills sharp.

Ms. Tami and I have been so blessed by all of you! Thank you for a wonderful year! We pray you have a fun and safe summer!

## First Grade -

This is our last week of school. Monday we will have a regular work day. At the end of the day we will clean out our desks. On Tuesday we will do various activities: art, read-a thon, board games, possibly a movie. On Wednesday we will have awards. Every first grader will get an award! It's hard to believe our first graders are now second graders! I have appreciated each one and count each a blessing! Have a great summer!

## Second Grade -

This is our last 3 days of second grade! Tuesday is our field trip. Wednesday is the Awards Chapel at 8:45. Please have them wear their chapel uniform that day. Thank you for a wonderful year. It has truly been a blessing to be your 2nd grade teacher! Hope you have an amazing summer. God bless!

## Third Grade -

Welcome to our final few days of school. I'm so proud of all my third graders and how hard they've worked this year! We have some fun things planned for our last few days. Tuesday is our field trip to Celebration Park. Pizza and dessert will be provided. Final reminders were sent home on Thursday regarding what to wear and bring. Our first through third grade awards will be given out on Wednesday at 8:45 AM. Remember this is a chapel dress day. Even though this is a minimum day, you may also sign your child out in the office if you would like to leave after the awards ceremony. It has been a true pleasure to serve you and your children this year! I hope you have a very blessed summer!

## Fourth Grade -

I have been so blessed to have had the opportunity to teach your child this year. We have shared many fun times this year. Our week is short, but packed with activities. Monday is our end-of-the-year field trip to Mulligan's, Tuesday will have some fun sprinkled in with cleaning out desks and some light cleaning, and Wednesday is our Awards Assembly, at 10:00 am. I look forward to seeing all of you there. I wish you a wonderful summer, full of fun and family times.

## Fifth Grade -

As you head into summer break, I encourage you to keep on reading and to practice your daily math skills because learning never stops! I am proud of all your hard work, growth, and how far you have progressed. It truly has been an adventure this year and I am going to miss each of you. Have a fantastic summer!

## Middle School -

It has been a true pleasure teaching these amazing students this year! Thank you, parents, for your support and for sharing your wonderful kids with us. This is our last week. We have full school days on Monday and Tuesday, and a minimum day on Wednesday. Wednesday is awards chapel, so students will need to be in their chapel uniforms. 6th and 7th grades will have their awards ceremony beginning at 11:00. Once the awards chapel is complete you may take your student(s) and begin your summer. I pray each of you will have a blessed and restful summer.

—Ms. Wong

Thank you all for working hard to finish strong. We've had an awesome year. The 8th-grade graduation set-up starts at 10:00 am, but I still need the students here at 8:30 for our last practice without parents. Student arrival for the graduation is 6:30 pm, and it will begin at 7:00 pm. 7th grade awards are on Wednesday at 11:00 am. It is a half day. I hope you all have a wonderful and blessed summer!

—Miss Michelle
