### 2025/2026 Enrollment

Enrollment just got easier! We are excited to announce that we are moving to a continuous enrollment model for the next school year. Information was sent home on January 6th through email and a letter. There is still an early bird opportunity available throughout February.

### Spelling Bee

Congratulations to Brixen Umali, Maverick Wine, Alexandria Deompoc, Anmol Kaur, Vyaan Singh, and Ryan Gayle who represented our school at the ACSI Spelling Bee last Friday. We are so proud of you all! We wanted to give special recognition to Anmol, who came home with a 2nd place ribbon for her grade. Well done everyone!

### Science Fair Judges

The Science Fair is on March 3. If you are interested in volunteering to judge Science Fair Projects, please email Mrs. Peacock at vca.melissapeacock@gmail.com

# FROM THE TEACHERS:

## Pre-K -

Hello parents and grandparents! I hope you enjoyed their performance! They really enjoyed practicing it for you! Sorry I couldn't be there for it. It sure broke my heart. New month, new goals! We'll be focusing on the numbers 19 and 20 and the letters K, V, W, Y and P. This month's color is pink and our shape is heart! Have a great week!

## Kindergarten -

Hello Kindergarten Families! We are welcoming this new month of February! Our kindergartners are making a lot of progress in their reading and we are so proud of them. Please continue to work with them at home. Remember repetition is key and we have seen the growth. There will be no school on the 14th or the 17th of this month. Please continue to read the bottom of your child's homework packet. I always have important announcements and upcoming events printed at the bottom. I hope you all have a blessed day and thank you parents for all your efforts to help your child at home, it means so much to us teachers.

## First Grade -

In First Grade we are continuing with addition along with renaming. We will begin two digit subtraction. In Bible we are studying the feeding of the 5,000, learning the importance of sharing. In science students will be taught about scientists and what they do as they apply the scientific method. In phonics we have started Chart 11. We are becoming capable readers! We are forming sentences in Language and learning how to put words in A B C order.

## Second Grade -

Report cards went home last Friday. This Friday is the Awards Chapel. Tuesday is our field trip to LifeHouse Theater. Students need to wear their burgundy uniform shirt on the field trip. Our next project is the "Cereal Box Book Report". The information for that will go home on Wednesday. This project is mandatory and graded. For the next 2 weeks we will be learning about Nehemiah in the Bible.

### BIBLE VERSES

Pre-K	Matthew 14:33b
Kindergarten	Micah 6:8
First	Galatians 6:2
Second	Nehemiah 4:6
Third	Psalms 34:8
Fourth	Acts 4:12
Fifth	Psalms 18:2
Sixth	Galatians 3:13-14
Seventh & Eighth	1 Peter 2:9

## Third Grade -

Here's a few reminders as we begin this new month. We have our valentine party coming up on 2/13. You may bring valentine cards to hand out, and also your favorite dessert or snack to share. This week we have a math test over fractions on Wednesday, and a language quiz on Friday over subjects and verbs. We began memorizing our new poem "My Shadow" last week, and will be reciting it on 3/7. Also remember if you want to take part in the optional extra credit science project, we will be turning those in on 3/3.

## Fourth Grade -

We have had a busy week. We made moonscapes, which turned out great. Long division is proving to be a little challenging, so please keep encouraging your child. Your child should be completing their experimenting, writing their results, planning their display board, and starting to collect the supplies for their display. There are no additional tests this week other than the Bible Verse, Spelling, and the third stanza of "Hiawatha's Childhood." Awards assembly is on Friday.

## Fifth Grade -

Our field trip to IFLY is planned for February 25th. Students should be working on their science projects and completing assignments from the science timeline found in the packet. Special thanks to all the parents who donated towards our class fundraiser and to goodies in the classroom! We appreciate you!

## Middle School -

We had a great start to the third quarter this week. Friday is Awards Chapel where students that qualified for second quarter Honor Roll will be recognized. Parents are always welcome to join us for Chapel. Information for 6th grade book reports went home last week, and students should be working diligently to complete them by next Wednesday, the 12th. Tests and due dates for the week are as follows: Wednesday: 6th Literature Unit 3 Test, Friday: 6th & 8th Science logbooks and results for Science Fair are due, 7th History Ch. 8 Test, Fundamentals of Math 5B Quiz. Have a blessed week.

—Ms. Wong

The tests and due dates for the week are as follows: Monday: 8 Literature Unit 2 Test; Wednesday: 7 Science Fair Week 4 due date (Results); Thursday: 8 Research Essay Final Draft Due. Science Fair is March 3.

—Miss Michelle
